

NAMAN VIDHI

**WORLD TRADE PVT. LTD.**  
**IMPORTER & STOCKIST OF ELECTRONIC COMPONENTS**

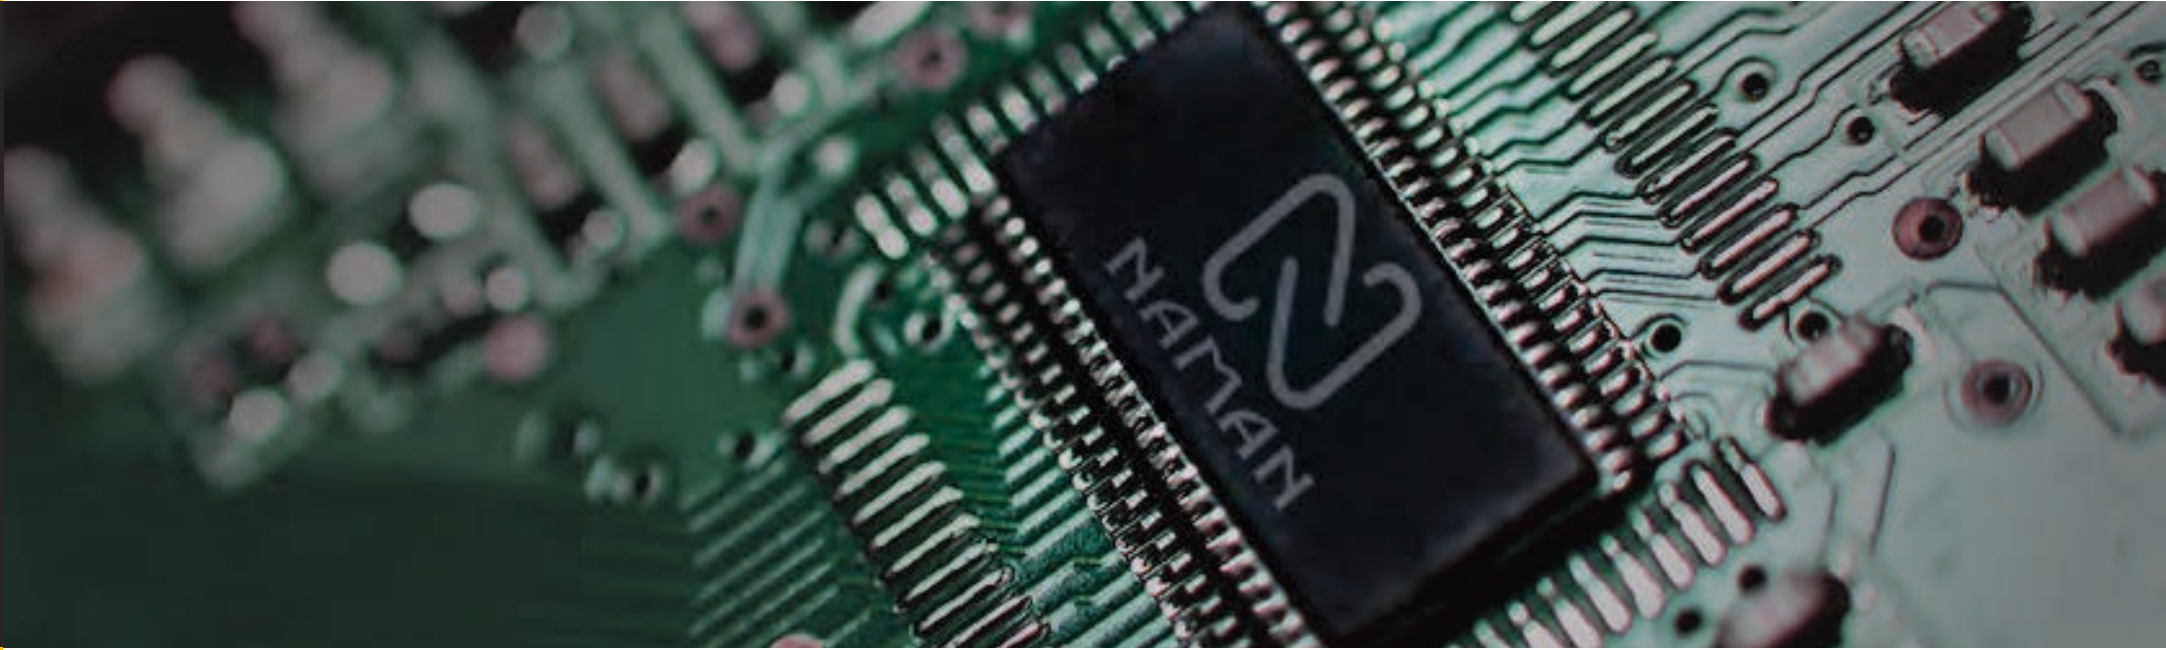

## Company profile

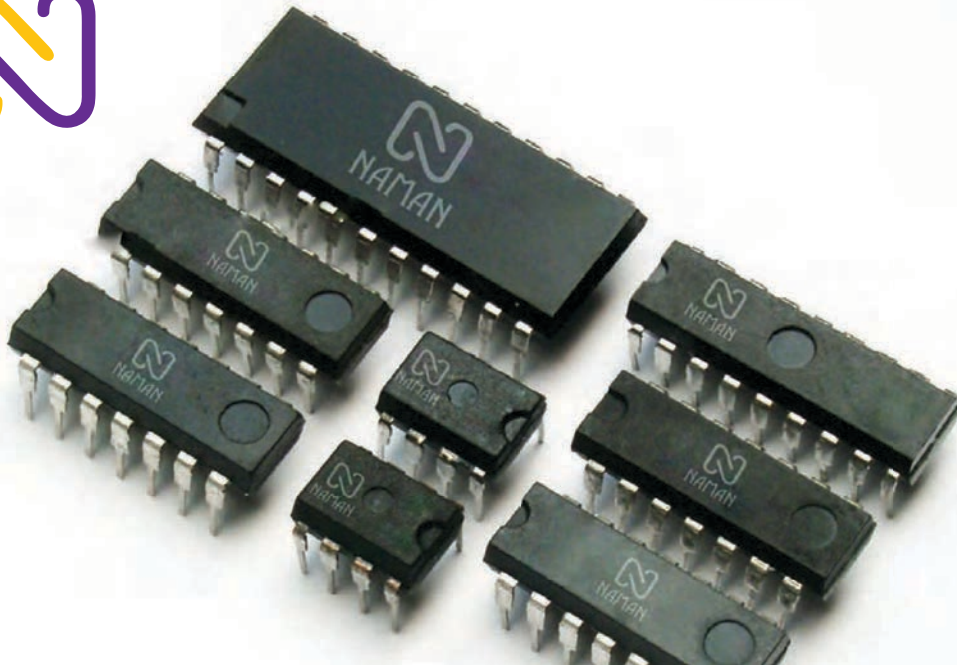

NamanVidhi World Trade Pvt. Ltd. was founded in the year 1995 headed by Mr. Dinesh B Salecha. The objective of our company then was to provide electronic components at competitive pricing, providing add on services and till date we follow the same principal.

During the years we have always backed the policy of customer satisfaction, good customer relations, value added services, quick responses to our customers. Along with these qualities we have a Good will in the industry which helps us to build and maintain a legacy created by our heirachy.

# Our Vision

- To be Globally recognized as importer's & exporter's of components that put quality and value as priority to satisfy the needs of our customers.
- Our main goal is to make sure that our customers get the best available products on the market.
- To serve our customers by delivering superior experience and value, thereby making them our ambassadors.
- To become the leading supplier of components worldwide.
- Deliver the right parts exactly on time, exceed our internal and external customer requirements through continuous improvement.
- Provide a place for hard-working, dedicated, knowledgeable and ethical people who believe in the company.
- Our core values and beliefs are focused on the respect we have for our customers and employees.

## WHY NAMANVIDHI ?

NAMANVIDHI has always been committed to providing our customers with best in class quality, personal attention & customized solutions.

We value our relationships which have been built collaboratively with our valued customers and vendors.

Our cross-functional teams located around the world continually work on our mission to serve our clients purpose.

## STAND AT THE MOMENT

Our company has an office space of 2000+ square foot, a stock room of 5000+ square foot. As a result of our location, we are able to provide all products to our customers with suitable mode of transportation at the earliest. To cater our customers around the globe we have our offices in Singapore, China, Hong Kong, and India. Besides, we have a strong Team composed of well trained staff members due to which we cater to the needs of wide range of customers in various Industries related to components.
